Personnel Files: Military Service and Pension Records at the National Archives

The National Personnel Records Center (NPRC), Military Personnel Records, holds most existing military personnel, health, and medical records of discharged and deceased veterans of all services from World War I to the present. Official Military Personnel File (OMPF) records may be requested online at <https://www.archives.gov/veterans/military-service-records>, by mail (the appropriate address listed on the back of the form), or fax (314-801-9195) using the Standard Form 180.

Veterans and their next-of-kin (NOK) may request these records. According to the NPRC, for the Air Force, Navy, Marine Corps, and Coast Guard, the NOK is defined as the unmarried widow or widower, son, daughter, father, mother, brother or sister; and for the Army, the NOK is defined as: the surviving spouse, eldest child, father or mother, eldest sibling or eldest grandchild.

If you do not meet the definition of NOK, you are considered a member of the general public and may request military records via the Freedom of Information Act (FOIA). See Access to OMPFs by the General Public at <https://www.archives.gov/st-louis/military-personnel/public/general-public.html>.

In 1973, a disastrous fire at NPRC destroyed approximately 16 million to 18 million Army and Air Force official military personnel files. In such cases where files were lost, NPRC uses alternate sources of information to respond to requests.

More information about obtaining military personnel files can be found on the NPRC website, <http://www.archives.gov/st-louis/military-personnel/>, or by contacting the center at

Military Awards and Decorations

The NPRC also provides information on how to request military awards and decorations online and by mail for veterans and their NOK; replacing certain military medals; and obtaining a Cold War Recognition Certificate. The general public may also purchase a copy of the veteran's OMPF to determine the awards due and obtain the medals from a commercial source.

Request information on Military Awards online at <https://www.archives.gov/st-louis/military-personnel/public/awards-and-decorations.html>.

Cold War Recognition Certificate is at <https://www.archives.gov/st-louis/military-personnel/public/awards-and-decorations.html#cwc>.

The NPRC will provide copies of DD-214s (or equivalent) or SF-50s to authorized requesters upon request. These documents may be used to apply for the Certificate. This is in accordance with the National Defense Authorization Act for Fiscal Year 1998 (P.L. 105-85, Section 1084). This Certificate is awarded to all members of the armed forces and qualified federal government civilian personnel who served the United States during the Cold War era from September 2, 1945, to December 26, 1991.

Finding Unit Histories

The Modern Military Records office of the National Archives and Records Administration (NARA) has custody of records relating to World War I, World War II, Korea, and Vietnam. The records vary by conflict and branch of service. The records for Army units active during the interwar periods (1920-1939 and 1945-1950) are incomplete. For more information, contact the Textual Records office at

Textual Records Office
National Archives and Records Administration at College Park
8601 Adelphi Road
College Park, MD 20740-6001
Tel: #redacted #
Email: archives2reference@nara.gov

If a military unit record is not publicly available, a FOIA request may be submitted to the agency where the record is held. For example, for special access records held at the National Archives at College Park, contact the Archives FOIA office at

Special Access and FOIA Division
The National Archives at College Park

College Park, MD 20740-6001
Tel: #redacted #
Email: specialaccess_foia@nara.gov

For more information on how to submit a FOIA request, visit <https://www.foia.gov/how-to.html>.

Auxiliary and organizational records, including morning reports, unit rosters, officer pay cards (Army), muster rolls (Navy), U.S. Army Surgeon General's office records and Veterans

Administration index cards are maintained at the National Archives at St. Louis, Missouri. Further information is available at <http://www.archives.gov/st-louis/archival-programs/other-records/index.html>.

Certain published unit histories can be found in the collections of the Library of Congress or the military history center of each U.S. military branch (see **Table 1**).
