## Juneteenth: Fact Sheet

Juneteenth celebrates the end of slavery in the United States. It is also known as Emancipation Day, Freedom Day, Jubilee Day, Juneteenth Independence Day, and Black Independence Day. On June 19, 1865, Major General Gordon Granger arrived in Galveston, TX, and announced the end of the civil war and the end of slavery. Although the Emancipation Proclamation came 2½ years earlier on January 1, 1863, many enslavers continued to hold enslaved Black people captive after the announcement, and Juneteenth became a symbolic date representing African-American freedom.

Juneteenth became a federal holiday on June 17, 2021. All 50 states and the District of Columbia recognize Juneteenth as a holiday or observance, and at least 18 states have enacted laws to observe the holiday as a paid state holiday.

This fact sheet assists congressional offices with work related to Juneteenth. It contains sample speeches and remarks from the *Congressional Record*, presidential proclamations and remarks, and selected historical and cultural resources.

## Introduction

Juneteenth celebrates the end of slavery in the United States. It is also known as Emancipation Day, Freedom Day, Jubilee Day, Juneteenth Independence Day, and Black Independence Day. On June 19, 1865, Major General Gordon Granger arrived in Galveston, TX, and announced the end of the Civil War and the end of slavery. Although the Emancipation Proclamation came 2½ years earlier on January 1, 1863, many enslavers continued to hold enslaved Black people captive after the announcement, so Juneteenth became a symbolic date representing African American freedom.

This fact sheet assists congressional offices with work related to Juneteenth. It contains sample speeches and remarks from the *Congressional Record*, presidential proclamations and remarks, and selected historical and cultural resources.

## History

June 19, 1865, marks the date that Major General Gordon Granger arrived in Galveston, TX, and announced the end of both the Civil War and slavery. His announcement, General Order Number 3, reads as follows:

The people of Texas are informed that, in accordance with a proclamation from the Executive of the United States, all slaves are free. This involves an absolute equality of personal rights and rights of property, between former masters and slaves and the connection heretofore existing between them, becomes that between employer and hired labor. The Freedmen are advised to remain at their present homes and work for wages. They are informed that they will not be allowed to collect at military posts; and they will not be supported in idleness either there or elsewhere.

The 1865 date is largely symbolic. The Emancipation Proclamation, issued by President Abraham Lincoln, had legally freed slaves in Texas on January 1, 1863, almost 2½ years earlier. Even after the general order, some slave masters withheld the information from their enslaved people, holding them enslaved through one more harvest season.

Texans celebrated Juneteenth beginning in 1866 with community-centric events, such as parades, cookouts, prayer gatherings, historical and cultural readings, and musical performances. Over time, communities have developed their own traditions. Some communities purchased land for Juneteenth celebrations, such as Emancipation Park in Houston, Texas. As families emigrated from Texas to other parts of the United States, they carried Juneteenth celebrations with them.

On January 1, 1980, Juneteenth officially became a Texas state holiday. Al Edwards, a freshman state representative, put forward the bill, H.B. 1016, making Texas the first state to grant this emancipation celebration. Since then, the federal government, all 50 states, and the District of Columbia have also commemorated or recognized the day.

## Legislation

The first known official movement to make Juneteenth a federal holiday began in 1994,<sup>1</sup> and the first congressional resolution recognizing Juneteenth Independence Day was introduced in the

## **Federal Holiday Legislation**

### **116<sup>th</sup> Congress**

H.Res. 1001, to recognize June 19 as Juneteenth Independence Day, was introduced on June 15, 2020.<sup>3</sup> The resolution garnered 214 co-sponsors, and it led to the introduction of the first Juneteenth National Independence Day Act (H.R. 7232) on June 18, 2020. A subsequent Senate bill (S. 4019) was introduced on June 22, 2020. Neither bill was considered for a vote.

### **117<sup>th</sup> Congress**

On February 25, 2021, H.R. 1320 and S. 475 were both introduced to establish Juneteenth as a federal holiday. S. 475 passed the Senate by unanimous consent on June 15, 2021, and it passed the House by a vote of 415-14 on June 16, 2021. The bill was signed into law on June 17, 2021,<sup>4</sup> and Juneteenth became the 12<sup>th</sup> federal holiday. Juneteenth National Independence Day is the first holiday to be added to the list of federal holidays since the recognition of Rev. Dr. Martin Luther King, Jr.'s birthday in 1983.

## **State Legislation**

In addition to the federal government recognizing Juneteenth as a federal holiday, all states and the District of Columbia have passed legislation recognizing it as a holiday or observance. At least 18 states have made the observance an official paid holiday.

**Notes:** This table includes the first instance of a state's recognition of Juneteenth or the first legislation that established Juneteenth as a state holiday. It excludes legislation adopted by states after the initial observation year. For example, Kansas adopted multiple resolutions, such as S.Res. 1866 (2007), S.Res. 1888 (2009), S.Res. 1865 (2011), and S.Res. 1754 (2015), subsequent to the original commemoration.

Bolded legislation citations denote that the legislation established Juneteenth as a state holiday. This includes days of observance and does not necessarily mean that they are legal holidays. Nonbolded legislation citations are commemorations or recognitions of the day's significance.

States without links do not have publicly available versions of the bill or resolution online. Copies can be found on Lexis+. Congressional clients also may request copies from CRS.
